End-of-Life Notification

Jun 11, 2008

Dear Valued Customer:

As part of our on-going product lifecycle management process, we have identified the following product:

PACDN040-LF,

that will be transitioned to an "End-of-Life" status effective immediately. This decision was based on our review of historical unit shipment volume and product revenue performance.

Under the terms of the last time buy program, orders will be accepted for 60 days commencing with the date of this notice after which no additional orders will be accepted. Scheduled delivery will be permitted within 150 days of the last time buy date. Thereafter, these products will be considered obsolete and no additional deliveries will be made.

- **Last Time Buy date is Aug 10, 2008**
- **Last Time Ship date is Nov 10, 2008**

Minimum buy quantities **50,000 units**. Please contact California Micro Devices for the exact quantity available. Acceptance of last time buy orders is subject to product availability and at the discretion of California Micro Devices. Every effort will be made to fulfill these orders. However, in the event that we should have low yielding material, we reserve the right to short ship the order.

Products purchased during this end-of-life transition period will be fully covered by California Micro Devices' standard product warranty. Purchase orders for these products will be considered non-cancelable, non-returnable (NCNR). Potential product returns will be accepted under our normal RMA procedures. Failure analysis will be limited to verification of failure and remedies will be limited to credit of the purchase price of the product.

If you have any questions concerning this End-of-Life notification, please contact your California Micro Devices representative.

Regards,

California Micro Devices
