## End-of-Life Notification

Nov 18, 2009

Dear Valued Customer:

As part of our on-going product lifecycle management process, we have determined that **CM2021-00TR** will be transitioned to an "End-of-Life" status effective immediately. We are transitioning to a new part number. Please use **CM2021-02TR** for pin to pin replacement which with the same functionality. The **CM2021-02TR** is fully qualified and currently in volume production.

Under the terms of the last time buy program, orders will be accepted for 120 days commencing with the date of this notice after which no additional orders will be accepted. Scheduled delivery will be permitted within 60 days of the last time buy date. Thereafter, these products will be considered obsolete and no additional deliveries will be made.

- **Last Time Buy date is March 16, 2010**
- **Last Time Ship date is May 15, 2010**

Minimum buy quantities Vary by product. Please contact California Micro Devices for the exact quantity available. Acceptance of last time buy orders is subject to product availability and at the discretion of California Micro Devices. Every effort will be made to fulfill these orders. However, in the event that we should have low yielding material, we reserve the right to short ship the order.

Products purchased during this end-of-life transition period will be fully covered by California Micro Devices' standard product warranty. Purchase orders for these products will be considered non-cancelable, non-returnable (NCNR). Potential product returns will be accepted under our normal RMA procedures. Failure analysis will be limited to verification of failure and remedies will be limited to credit of the purchase price of the product.

If you have any questions concerning this End-of-Life notification, please contact your California Micro Devices representative.

Regards,

Jimmy Lo  
Marketing Director
